Quality Policy

UrbanGrid Australia is committed to providing quality services and products that meet or exceed client design expectations and enhance customer satisfaction.

UrbanGrid Australia demonstrated this commitment by:

- Establishing, maintaining and monitoring a documented Quality Management System that complies with AS/NZS 9001.
- Communicating quality objectives and targets with UrbanGrid Australia personnel.
- Providing appropriate training in the Quality Management System to all UrbanGrid Australia personnel.
- Reviewing this Policy and the Quality Management System to ensure continuing suitability and continuous improvement.
